# *Private Watermark Paper . . .*

---

*for any firm*

*New technology allows any firm to have their engraved stationery on your own "watermarked" paper. The minimum order is TWO CARTONS - - - 10,000 sheets.*

*The value of engraved stationery on private watermarked stock is priceless. A watermark provides security and authenticity with your firm image clear and detailed.*

*Please contact Majestic Mills Engraving Co. and ask to have one of our professional sales people explain the cost-effective watermark advantage.*
